An Over View

Founded by Lt Gen Ghulam Muhammad Malik (Retd), Al Mustafa Trust made a humble start on 5th Sep 1998 housed in a small building provided by a Philanthropist free of any rent. Ever since, the Trust has moved a long way making an unparalleled progress, now having 25 medical centres (8 urban, 17 rural), 15 dispensaries including 9 mobile units, (visiting 59 locations twice a week) thus providing free primary health care facilities in 99 cities, towns and villages across the Country. The number of beneficiaries during 2022 stands at 1,348,019 as against **816,591** in the year 2021, an increase of **40%**. Glancing through history of our performance would reveal enhanced figures of beneficiaries every year indicating the trust reposed in our operations and functioning. Al Mustafa Trust is almost completing 25 years of dedication and commitment in providing primary health care to poor/needly segments of our society. Overseas Pakistani Doctors funding our dispensaries/mobile clinics at Dina, Toba Tek Singh and Piplan have confidence in our ability to serve the poor and the needy. Besides registration with Pakistan Centre for Philanthropy (PCP), The Trust is also registered with UK Charity Commission and the state of Virginia, USA.

AMT's humble start in 1998 is now having its foot prints over 101 locations all over Pakistan, providing primary health care facilities from few thousand beneficiaries to now reaching the figure of over one million people year (2022) is by all means an enormous achievement. This is reflective of our operational efficiency on one hand and the trust reposed by our beneficiaries on the other. The trust owes it all to its Trustees; friends; well-wishers; medics para medics staff; Project Directors and Board of Management. May the Almighty grant us the perseverance, resolve and the ability to continue to help the poor and the needy as here to fore.
