## Patron's Note

It gives me great pleasure to see Al Mustafa Trust grow into a strong shady tree from a humble start in 1998. Having 25 medical centres, 24 dispensaries including 9 mobile clinics, has enabled us to have 99 foot prints across the country. Mobile dispensaries alone visit 59 locations in villages and poor localities of the country. This by itself is a significant achievement. In fact the concept of dispensaries has significantly enlarged the canvas of

Trust's activities benefitting around one million people (figure of year 2021). It reflects the trust reposed by the poor and the needy people in our performance. The management, the doctors and the paramedics deserve to be complemented for their zeal and efficiency in handling the affairs of the Trust.

For this overall achievement, I congratulate the Chairman, all the Trustees and the Staff for their excellent performance over the years. May Allah always remain our guide and protector.

Lt Gen Ghulam Muhammad Malik (Retd)  
Patron Al Mustafa Trust

## Message from the Chairman

The steady growth of Al Mustafa Trust owes it to its Trustees, friends, donors, well wishers, management staff and medics who are voluntarily performing their duties with utmost honesty and exuberance giving their precious time to the Trust. The Project Directors also deserve to be complemented for their efforts in keeping and moving their projects in right direction as per Trust's policy. This has thus resulted in the establishment of 49 projects (25 Medical Centres, 24 Dispensaries including 9 mobiles visiting 59 localities thus leading to Al Mustafa Trust to have 99 foot prints across country.

We keep on receiving numerous requests from various quarters to establish a project in their localities as well to serve the destitute and needy people. Owing to various constraints, however, we have to be very selective and choosy keeping in mind the number of beneficiaries that can avail such facilities. I must also appreciate those projects who were selected by the govts of Sindh and Punjab to assist them in Covid-19-vaccination which resulted into benefiting around one hundred thousand people.

I pray to Almighty to keep the Trust moving in the right direction, grant us the strength and the ability to perform our duties to the best of our abilities to serve the humanity.

Lt Gen Muhammad Mustafa Khan (Retd)  
Chairman Al Mustafa Trust

## THE PERSPECTIVE

Founded by Lt Gen Ghulam Muhammad Malik (Retd), Al Mustafa Trust made a humble start on 5th Sep 1998 housed in a small building provided by a Philanthropist free of any rent. Ever since, the Trust has moved a long way making an unparalleled progress, now having 25 medical centres (7 urban, 18 rural), 24 dispensaries including 9 mobile units, (visiting 59 locations twice a week) thus providing free primary health care facilities in 99 cities, towns and villages across the Country. The number of beneficiaries during 2021 stands at 1,057,107 as against 816,591 in the year 2020, an increase of 29%. Glancing through history of our performance would reveal enhanced figures of beneficiaries every year indicating the trust reposed in our operations and functioning. Despite closure of OPDs in public and private health care sectors and effects of Coronavirus, our medical centres (barring few) remained functional throughout and kept on providing much needed medical care to the poor and the needy across the Country. Some of our medical centres have been designated as COVID vaccination centres also.

Overseas Pakistani Doctors funding our dispensaries/mobile clinics at Dina, Toba Tek Singh and Piplan have confidence in our ability to serve the poor and the needy. Besides registration with Pakistan Centre for Philanthropy (PCP), the Trust is also registered with UK Charity Commission and the State of Virginia, USA.

## Performance under Covid Environment

Our centres and dispensaries remained fully functional during Covid which proved to be a blessing for the poor patients as the OPDs of Govt/private hospitals remained suspended for quite some time. Our centres at Karachi, however had to be closed for a short duration under lock down policy by the Sindh Govt.

Most of the medical setups of the Trust were designated as Vaccination Centre for Covid by NCOC, hence we facilitated and contributed to Govt's drive to reach out to people for vaccination. During 2021, over 100,000 individuals benefited from our medical facilities and got vaccinated.

## Medical Camps

In addition to provision of routine medical services, our centres also frequently arrange medical and eye camps at various locations in their respective areas, hence during the year 2021 also these camps were organized at Kanyat Khalil (Gujar Khan), Danda Shah Bilawal (Chakwal), Chawali (Chakwal), ChakSada (Gujrat), New Dhokri (Khushab), Rera (Bagh-AK), Sohawa Dewalian (Chakwal), Barh (Kohat) and Chak 16/14-L Iqbal Nagar (Sahiwal). A large number of patients were given treatment at their door steps.

## Additional Activities

By virtue of our policy to reach out to poor and the needy in remote areas, and at times on request by our worthy donors, Al Mustafa Trust also facilitates them in their humanitarian pursuits. Thus, distribution of rations to the destitute families was done at our medical centres Sillanwali (Sargodha), Korangi (Karachi) and Rera (Bagh-AK). Similarly, some cash and soaps were also distributed at Main Medical Center Chaklala and Chak Sada while warm clothings were distributed by Rera (Bagh-AK).
