بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

يَا أَيُّهَا الَّذِينَ آمَنُوا أَنْفِقُوا مِمَّا رَزَقْنَاكُمْ مِنْ قَبْلِ أَنْ يَأْتِيَ يَوْمٌ لَا بَيْعَ فِيهِ
وَلَا خِلاَةَ وَلَا شَفَاعَةَ. وَالْكَافِرُونَ هُمُ الظَّالِمُونَ (سورة البقره ٢٥٤)

O you who believe give from what we have provided for you; before the Day comes when there is no bargaining, no friendship and no intercession. It is the disbelievers who are wrong *(Al Baqarah, 254)*

Patron's Note

I feel privileged in writing this message as Patron of Al Mustafa Trust for its Annual Report 2022. It is providing excellent free health care facilities to the poor and the needy people with 102 foot prints across the country. This is a special time in its history as it enters Silver Jubilee year of its existence with a steady growth over the years. It has spent its time continuing to build and expand, and has thus become synonymous with our commitment to beneficiaries from hundreds of families with small children and adults. The figure has reached over 1.3 million during this year. In short Al Mustafa Trust stands for its excellence in leadership, integrity and full transparency in the spirit of community collaboration.

I am inspired by our Trustees, Donors, Partners and Staff who have risen to the unprecedented challenges that we have been facing in our growth. They have demonstrated resilience and dedication to all our beneficiaries.

I bow my head in all humility before Allah , the Almighty and pray for the Trust's success, well being and further growth in years to come.

Lt Gen Ghulam Muhammad Malik (Retd)
Patron Al Mustafa Trust

Message from the Chairman

I am thankful to the Almighty Allah for blessing us with an opportunity to fulfill a dream of serving humanity by providing free health care services to the deprived & marginalized segment of society. At AlMustafa Trust, we endeavor to provide quality medical care to poor people by expert physicians & trained staff. Our centres are equipped with advanced diagnostic & treatment facilities. With meticulous planning and dedicated services we have ensured quality medical care & patient satisfaction.

I take pleasure in the fact that during this year alone, there were over 1.3 million beneficiaries of AlMustafa Trust across the country. I take immense pride in stating that through consistent efforts of staff, physicians and members, the Trust has become a leading name in providing quality medical care to those who cannot afford the expenses of treatment. Starting from a 2 room dispensary in 1998, in our 25th Silver Jubilee year we are providing Primary Healthcare at around 100 locations and our network continues to grow as more and more donors join us after being convinced about AlMustafa's service to humanity.

This yearbook will help you to learn details about our operations, services and accounts.

Lt Gen Muhammad Mustafa Khan (Retd)
Chairman Al Mustafa Trust

THE PERSPECTIVE

Founded by Lt Gen Ghulam Muhammad Malik (Retd), Al Mustafa Trust made a humble start on 5th Sep 1998 housed in a small building provided by a Philanthropist free of any rent. Ever since, the Trust has moved a long way making an unparalleled progress, now having 26 medical centres (8 urban, 18 rural), 14 dispensaries including 9 mobile units, (visiting 59 locations twice a week) thus providing free primary health care facilities in 102 cities, towns and villages across the Country. The number of beneficiaries during 2022 stands at 1,348,019 as against 1057107 in the year 2021, an increase of 40%. Glancing through history of our performance would reveal enhanced figures of beneficiaries every year indicating the trust reposed in our operations and functioning.

Al Mustafa Trust is completing 25 years of dedication and commitment in providing free primary health care to poor/needly segment of our society.

Overseas Pakistani Doctors funding our dispensaries/mobile clinics at Dina, Toba Tek Singh and Piplan have confidence in our ability to serve the poor and the needy.

Besides registration with Pakistan Centre for Philanthropy (PCP), The Trust is also registered with UK Charity Commission and the state of Virginia, USA.
