

O you who believe give from what we have provided for you; before the Day comes when there is no bargaining, no friendship and no intercession. It is the disbelievers who are wrong

Founded by Lt Gen Ghulam Muhammad Malik (Retd), Al Mustafa Trust made a humble start on 5th Sep 1998 housed in a small building provided by a Philanthropist free of any rent. Ever since, the Trust has moved a long way making an unparalleled progress, now having 30 medical centres (8 urban, 22 rural), 25 dispensaries including 10 mobile units, (visiting 63 locations twice a week) thus providing free Primary Health Care Facilities in 108 cities, towns and villages across the Country. The number of beneficiaries during 2023 stands at 1,590,794 as against the year 2022 1,348,019 an increase by 18%. Glancing through history of our performance would reveal enhanced figures of beneficiaries every year indicating the trust reposed in our operations and functioning. Al Mustafa Trust has now its 25 years of dedication and commitment in providing Primary Health Care facilities to poor/needly segments of our society. Besides registration with Pakistan Centre for Philanthropy (PCP), The Trust is also registered with UK Charity Commission and the state of Virginia, USA.

Our Inland as well as overseas donors have confidence in our ability to serve the poor and needy.

CONCLUSION

Allah be praised, within the span of these 25 years the Trust has waded through arduous times and moved steadily in the pursuit of its goals and objectives quite successfully. It has been possible only through avid guidance of our Trustees and Directors on the one hand, and more so by meticulous planning and painstaking efforts our Board of Management, Project Directors, Medical and Paramedical staff. May the almighty Allah give them resilience to keep on performing as zealously and diligently as here-to-fore
